Final Past Remedy Report, Operable Unit No. 3 - IHSS 199

Erich Evered, Director
Environmental Restoration
EG&G Rocky Flats, Inc.

This memorandum is to officially notify EG&G that CDH approved the Final Past Remedy Report, Operable Unit No. 3 - IHSS 199, on May 30, 1991, and EPA Region VIII approved the report on June 14, 1991.

Congratulations to Michael Guillaume and Dennis Smith for producing a quality document in spite of a major change in scope and the problems experienced with the initial draft. Keep up the good work.

Frazer R. Lockhart
Director
Environmental Restoration Division
